"With backgrounds in jazz, Latin music, rock, pop, and classical piano, Louis brings his breadth and depth of experience to bear here. His playing and compositions are sensitive as they are complex and... a diverse range of influences is more than apparent."

***Keyboard Magazine***

"A jazz pianist with an impressive list of performing credentials, both as a soloist and as part of various bands, Landon has an easy, melodic style that is warmly optimistic and accessible, yet complex enough to keep it interesting with repeated listens."

***Kathy Parsons***

"He has a gift for composition that is second to none."

***New Age Reporter***

"...for those who like their solo piano music rich and full."

***Wind & Wire***

Louis Landon's mission is to create a loving and peaceful world by writing, recording, and performing music from the heart.
